

8th April, 2008

Dear _____,

I hope you are well.

We are pleased to announce the 2008 Dojinkai Summer seminar will be held at Berkeley Aikikai June 26, 27, 28 & 29. Our guest Shihan will be Kurita Sensei from Mexico. A flyer is attached with provisional schedule.

We are asking that people pre-register, and would like to receive registrations by May 31st. A registration form is attached to this mail. We would prefer if people arrange their own transportation to and from the airport this seminar; however if that is difficult then let us know and we will help with transportation

We have arranged with the Golden Bear Inn for a group rate during the seminar. The hotel is located at 1620 San Pablo Avenue a few blocks from the dojo. The phone number is 510-525-6770. When making a reservation, tell them you are with the Dojinkai group. Could each dojo please tally how many rooms they might want at the Golden Bear and send the number to us. We had to reserve some rooms in advance to get the group rate and want to increase or decrease that reservation by May 2nd.

We look forward to seeing you in June.

Sincerely,

Harbrinder S Kang
